INFORMATION DISCLOSURE UNDER 37 CFR 1.97

The applicant has become aware of additional references which may be material to this application. The additional references were brought to the applicant's attention in a European Search Report. Form PTO-1449 and copies of the references and the European Search Report are attached herewith.

Each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

Respectfully submitted,

Robert F. Clark
